2024 Humana Achieve Medicare Supplement Insurance Plans

Insured by Humana Insurance Company of Kentucky
(a subsidiary of Humana)

A Medicare Supplement insurance plan isn't only about the security

It's about the care.

Medicare Supplement insurance plans provide coverage to help pay healthcare costs not paid for by Medicare Parts A and B.

As with any health plan, I match the right Humana Achieve Medicare Supplement Insurance Plan to your needs and your budget. These plans are issued and underwritten by Humana Insurance Company of Kentucky which is a subsidiary of Humana. It's not just what I do but how we at Humana do it.

Humana gets to know its policyholders and what would make their lives better—then works on making that happen. That can mean guiding you to programs to help you maintain your health, removing barriers to healthcare and helping clarify your plan choice.

Humana

What to consider when choosing a plan

- What type of plan do I have now?
- What do I like about my current coverage?
- What would I change about my current coverage?
- Does my current plan include a prescription drug plan?
- Do I need a Part D prescription drug plan?

Note: An application may be subject to medical underwriting and not approved unless it qualifies for guaranteed acceptance. You will have 30 days to decide if you want to keep the new Medicare Supplement policy once you receive it. This is called the “free look period”.

Creditable coverage disclaimer: If, as of the date of application, you had a continuous period of creditable coverage or had prior coverage under a Medicare Supplement policy for at least 90 days, we will not exclude benefits based on a pre-existing condition. If, as of the date of application, you had a continuous period of creditable coverage or had prior coverage under a Medicare Supplement policy for less than 90 days, we will reduce the period of the pre-existing condition limitation by the time covered under such prior coverage.

The above does not apply if you apply for and are issued a policy under guaranteed issue status.
